

Gratitude BINGO

Hey, kids! I'm Roxy the Monkey and I have a lot to be thankful for each day. See if you can find the awesome things I love on your BINGO card.

WHAT YOU'LL NEED

Bingo cards (there are 4 different cards)

Picture cards

Card markers (pennies or bingo chips)

HOW TO PLAY

1. Cut apart the picture cards and place them upside down in a basket.
2. Give each player a bingo card.
3. To start the game, every player places a penny or bingo chip on the FREE space at the center.
4. Have one player choose a picture card from the basket and share it with the other players.
5. Players search their card for the same picture. If there's a match, the player places a penny or bingo chip on that space.
6. Continue choosing picture cards until one player has covered spaces on a card in one of these ways:

7. The first player to have picture matches in a row WINS!

Gratitude Picture Cards

Cut apart the cards along the dashed lines. Place them in a basket and take turns picking one to find on your BINGO card.
