

THE STORY OF
ROXY
COLORING BOOK

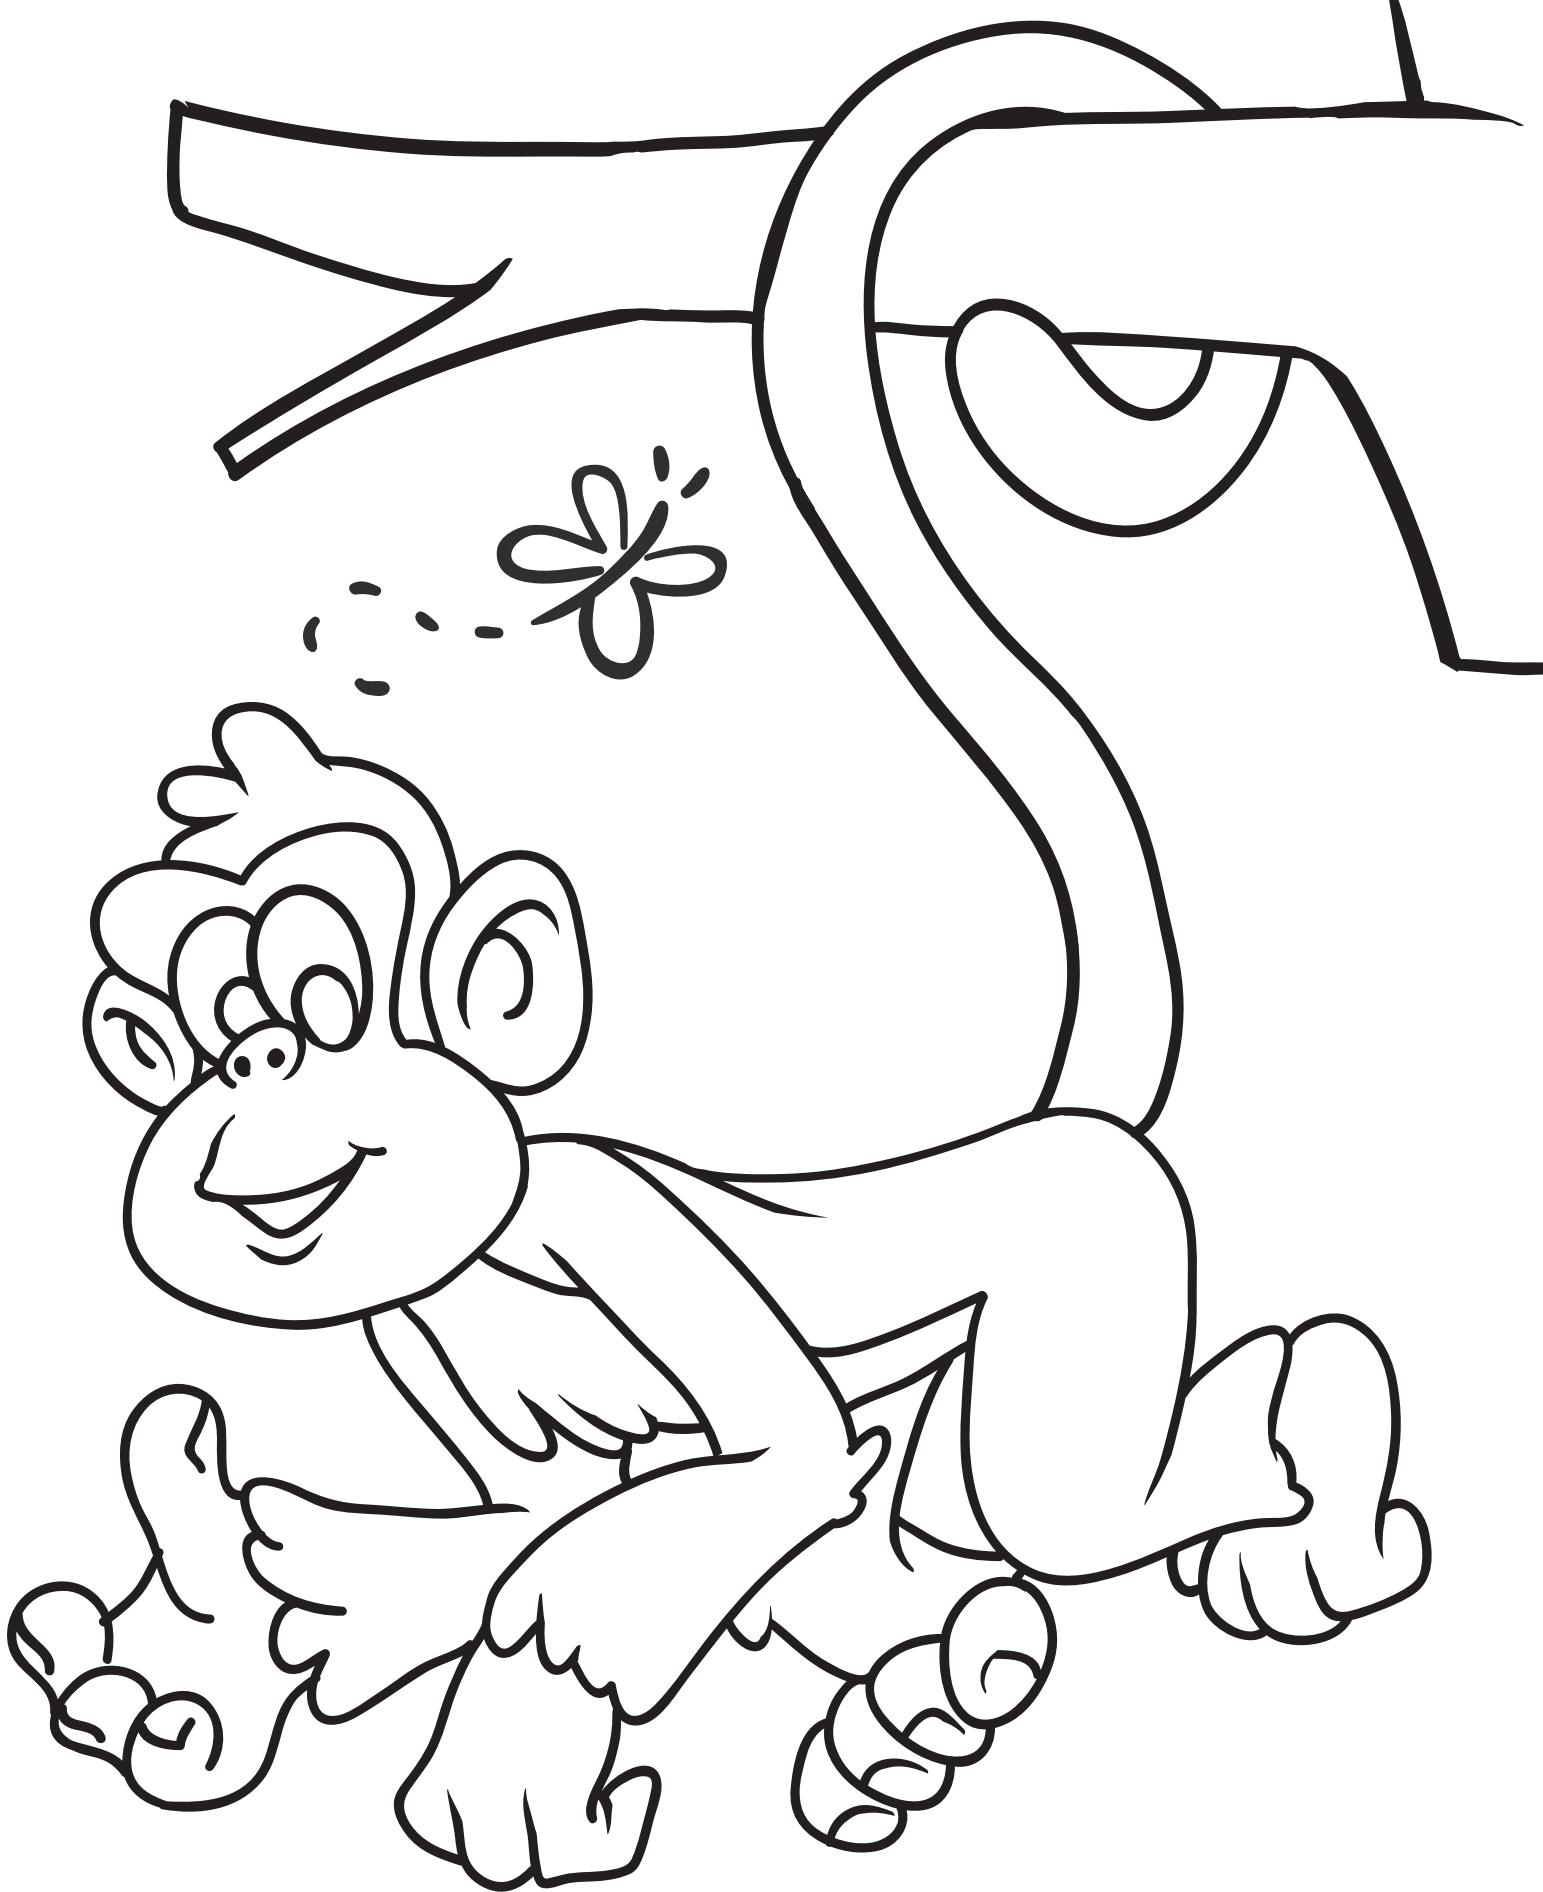

Go outside, Roxy!

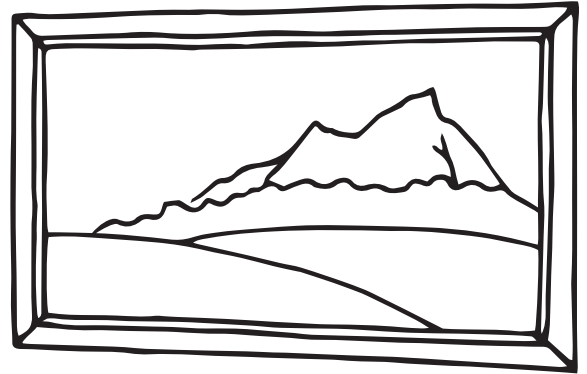

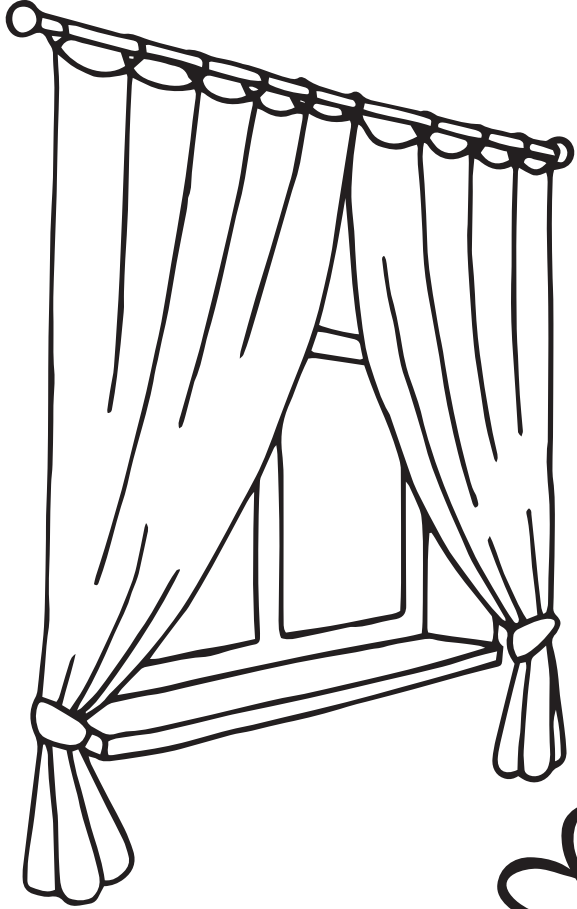

I'm Roxy. I'm a monkey.

I LOVE video games!
I play and play and play...

**My favorite game is where I swing from
tree to tree to catch butterflies.**

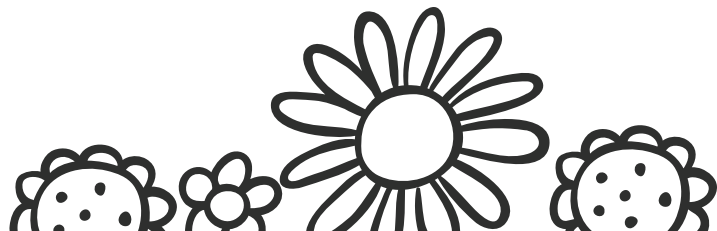

I like to eat bananas when I play. But I ran out!

**I had to get more from the store.
Luckily, I could walk there.**

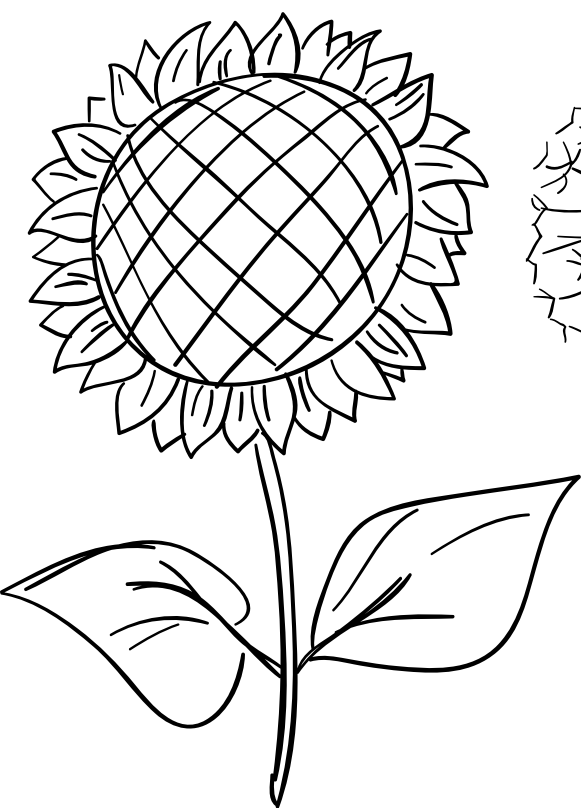

**As I was walking I noticed
how nice it was outside. The
sun was shining, the fresh air
smelled so good!**

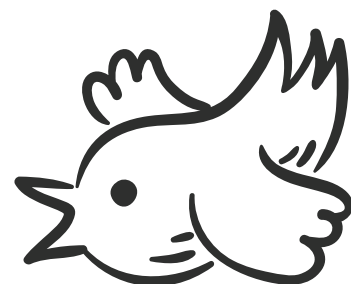

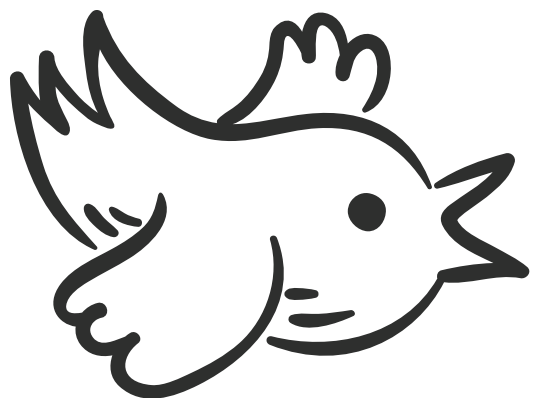

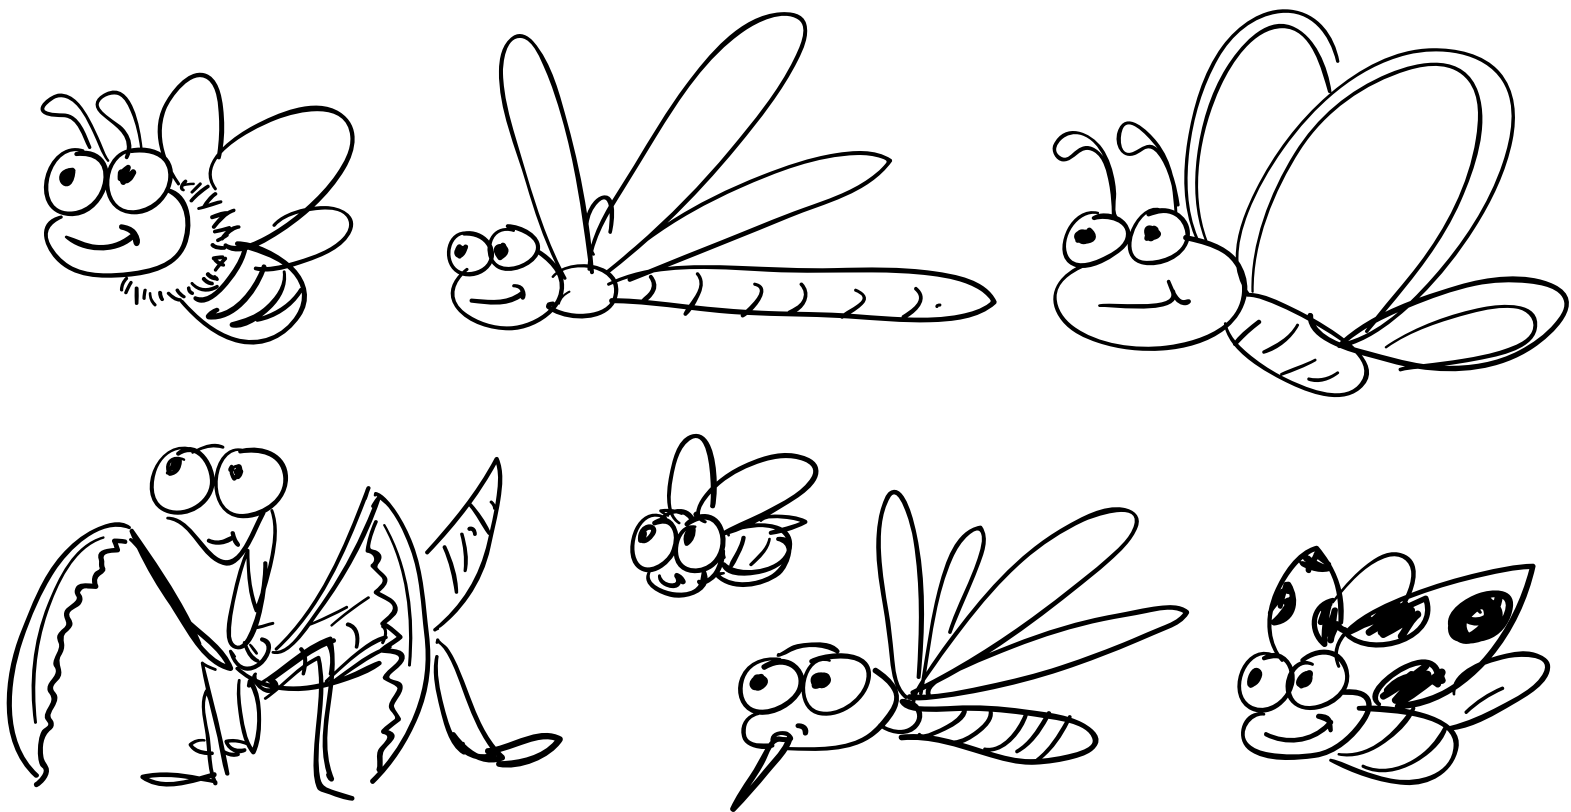

I saw all kinds of things. Pretty flowers...

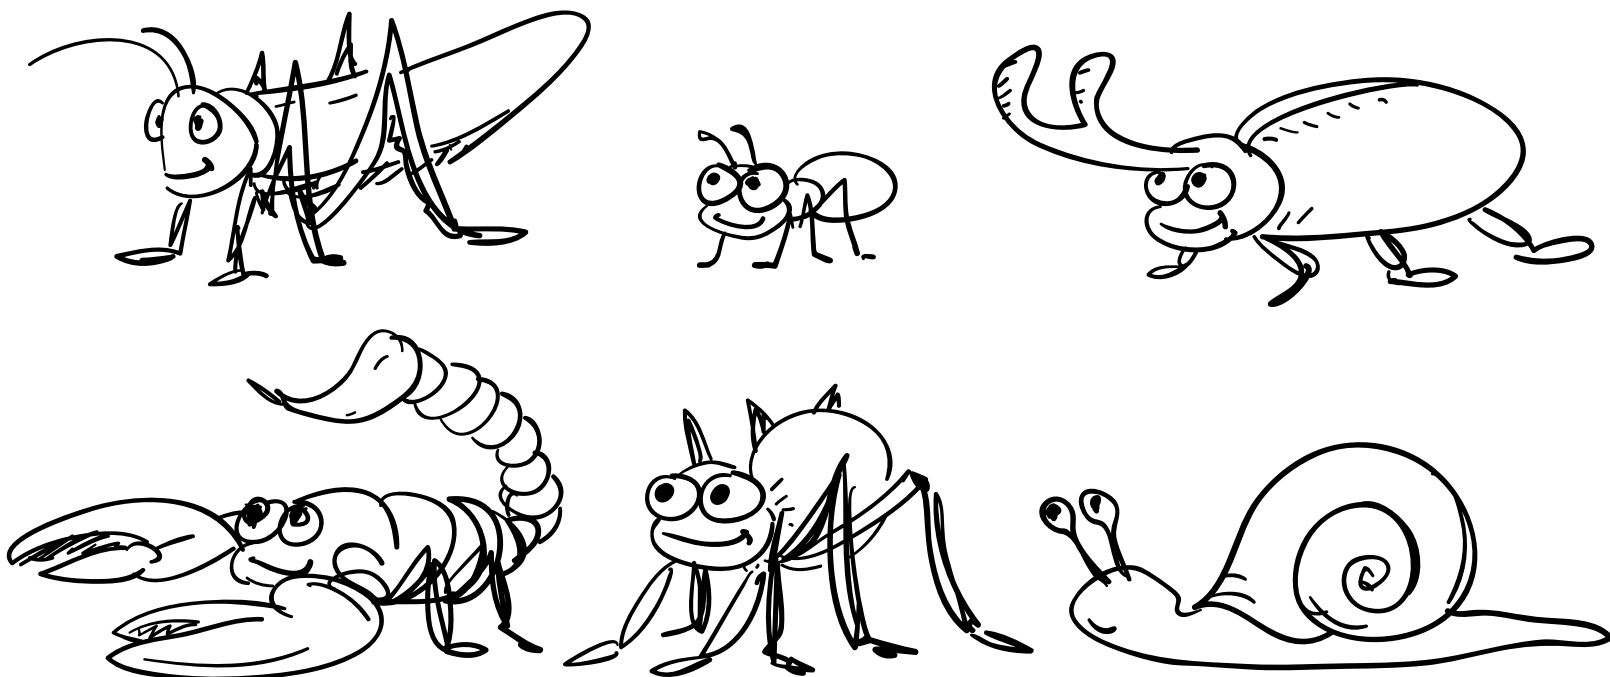

birds and squirrels...

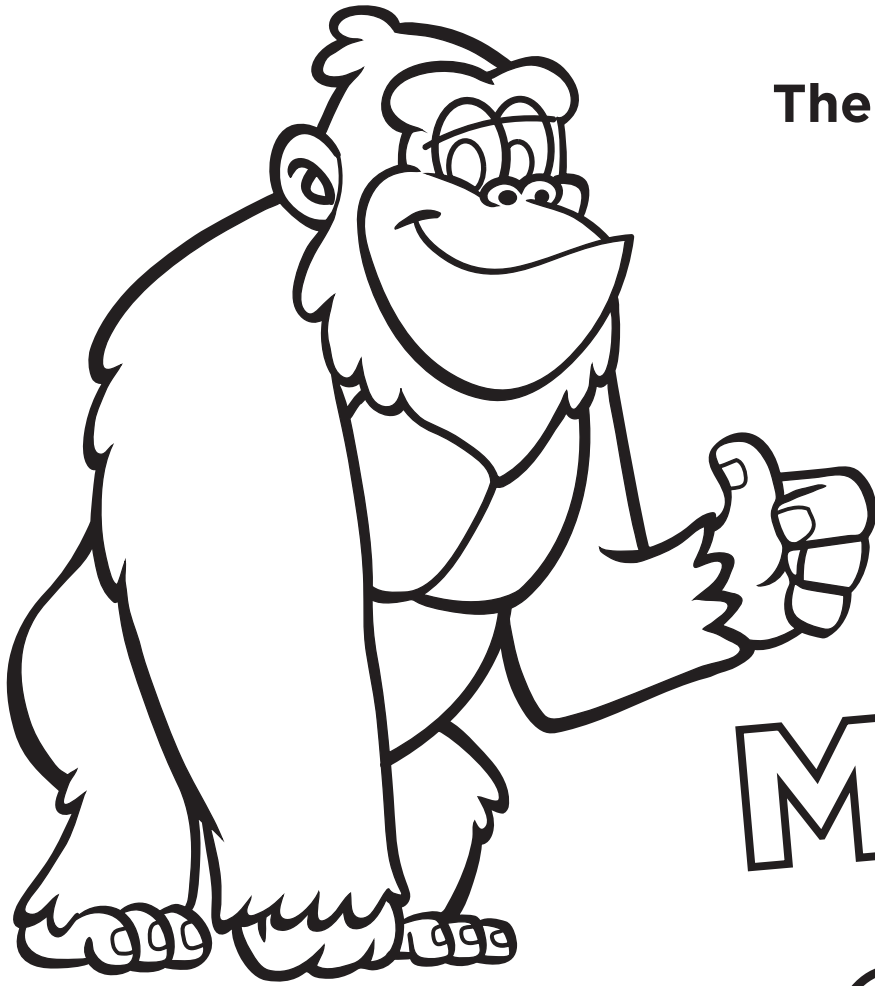

and **REALLY COOL** bugs!

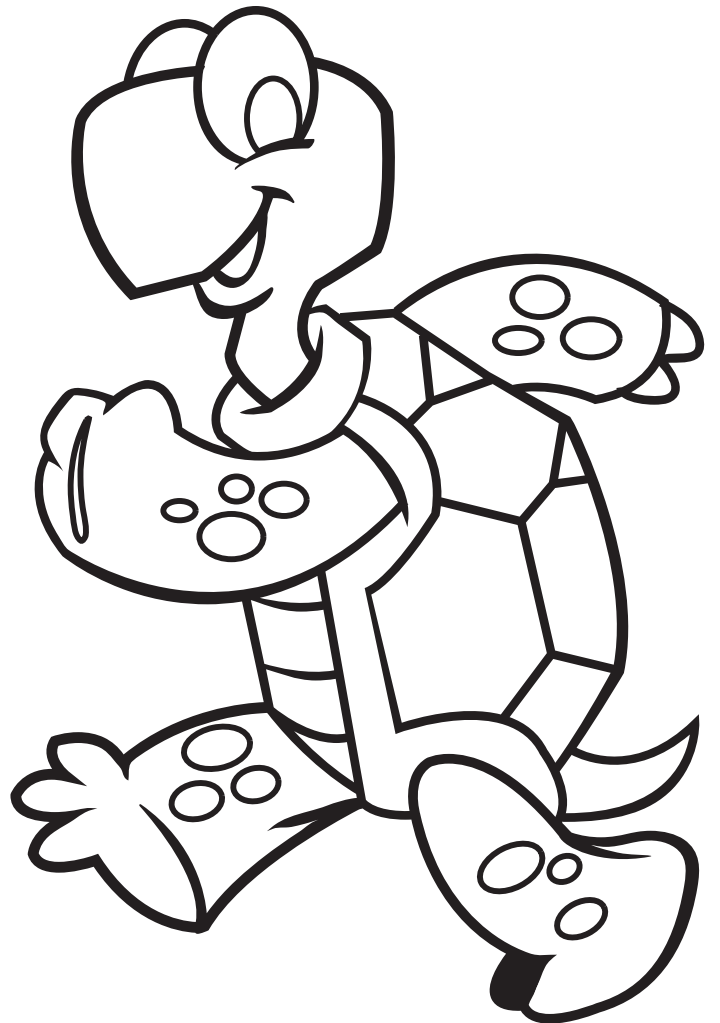

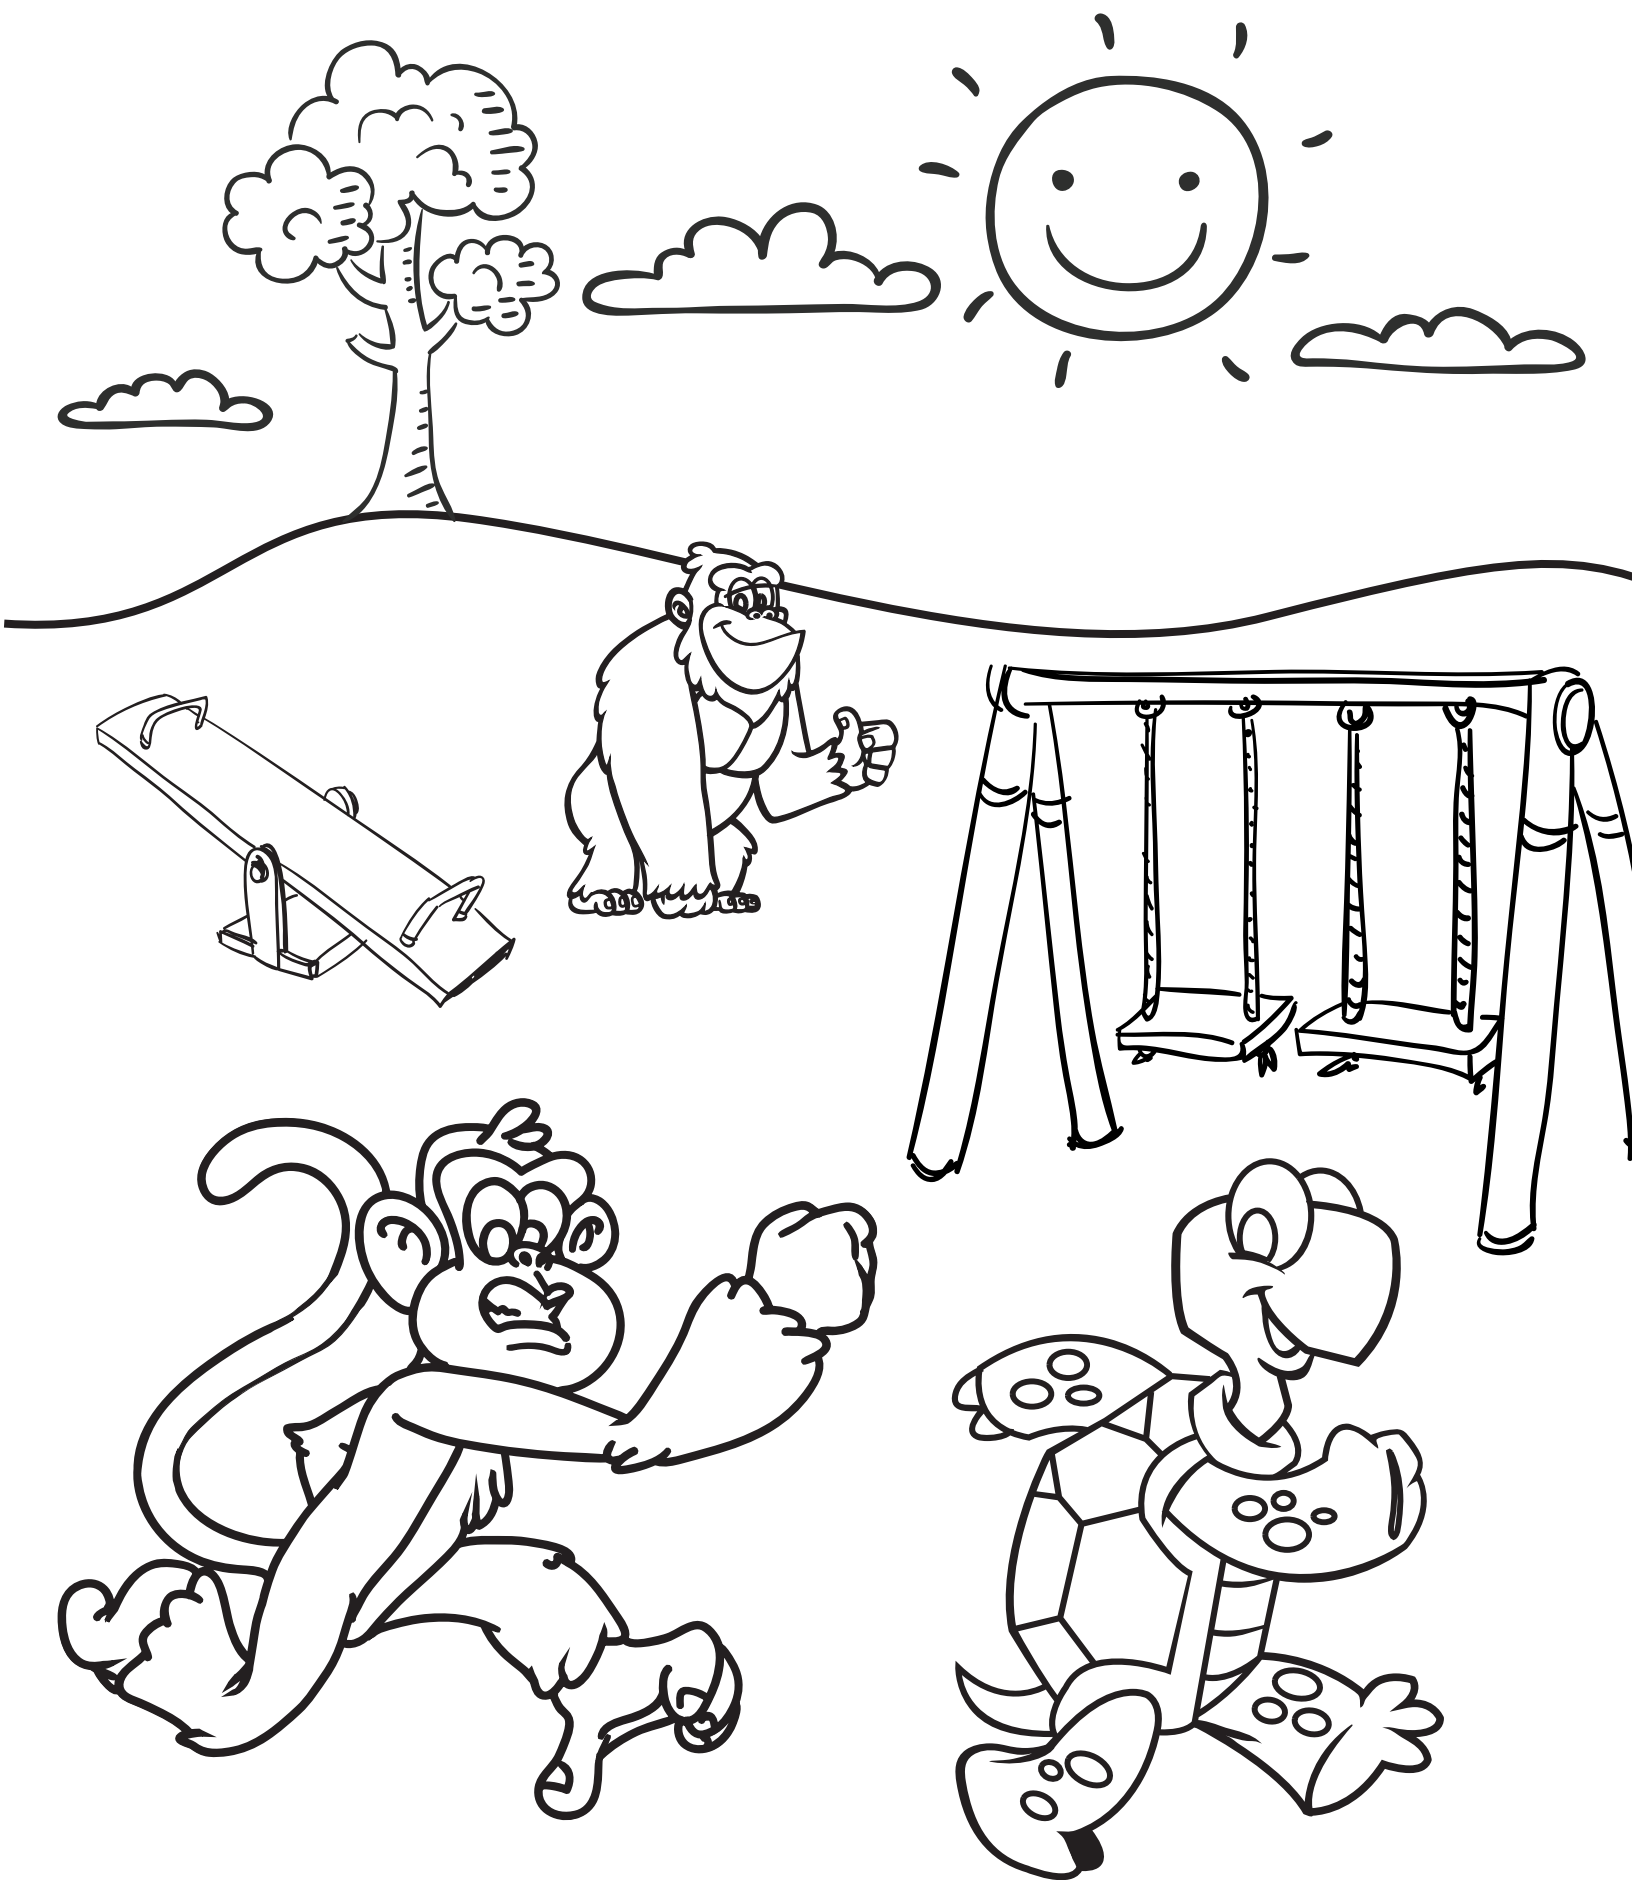

Then I saw my friends...

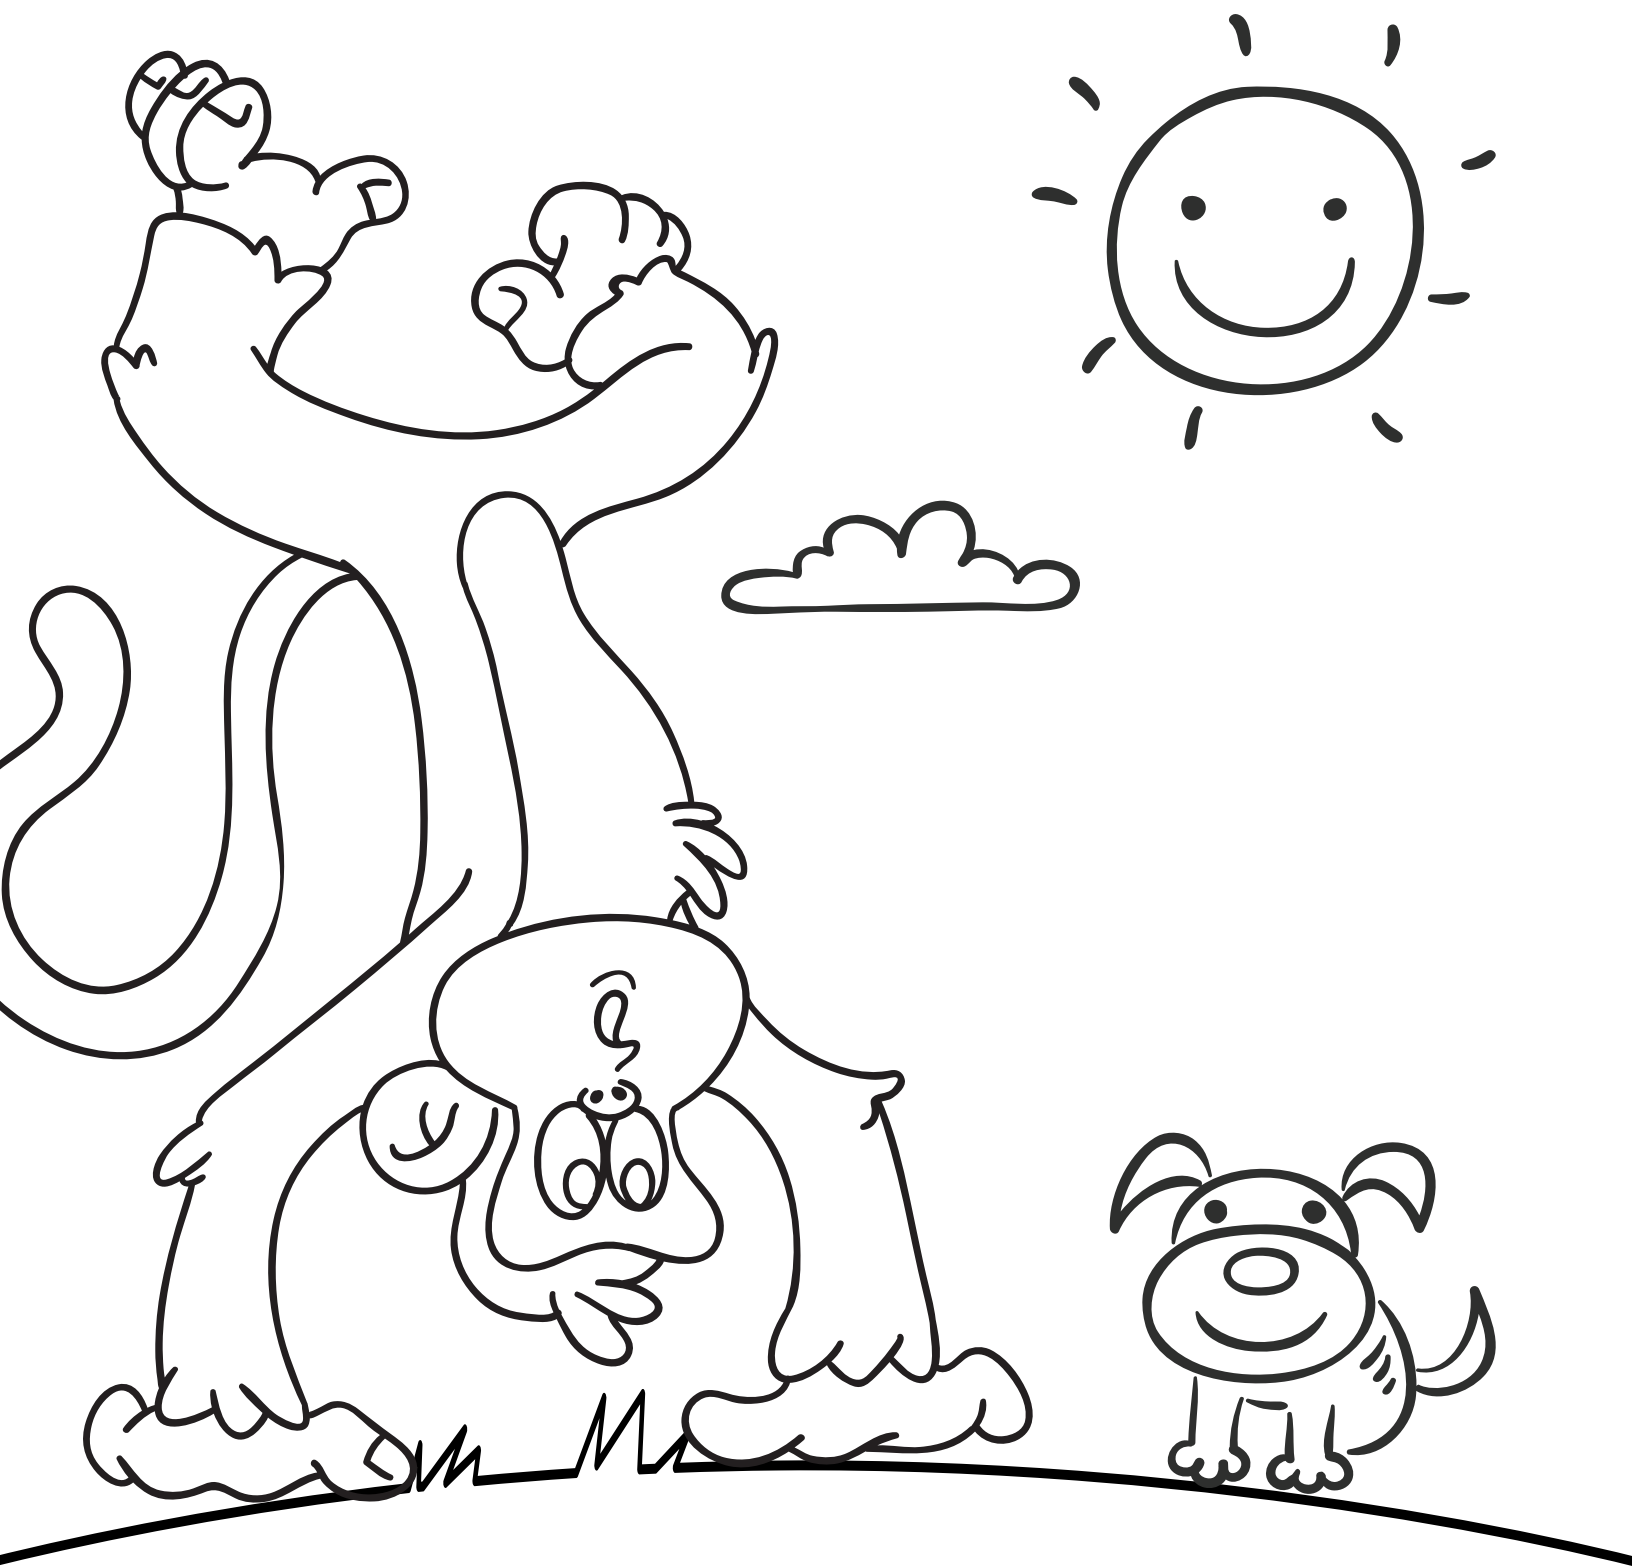

MOKO

TJ

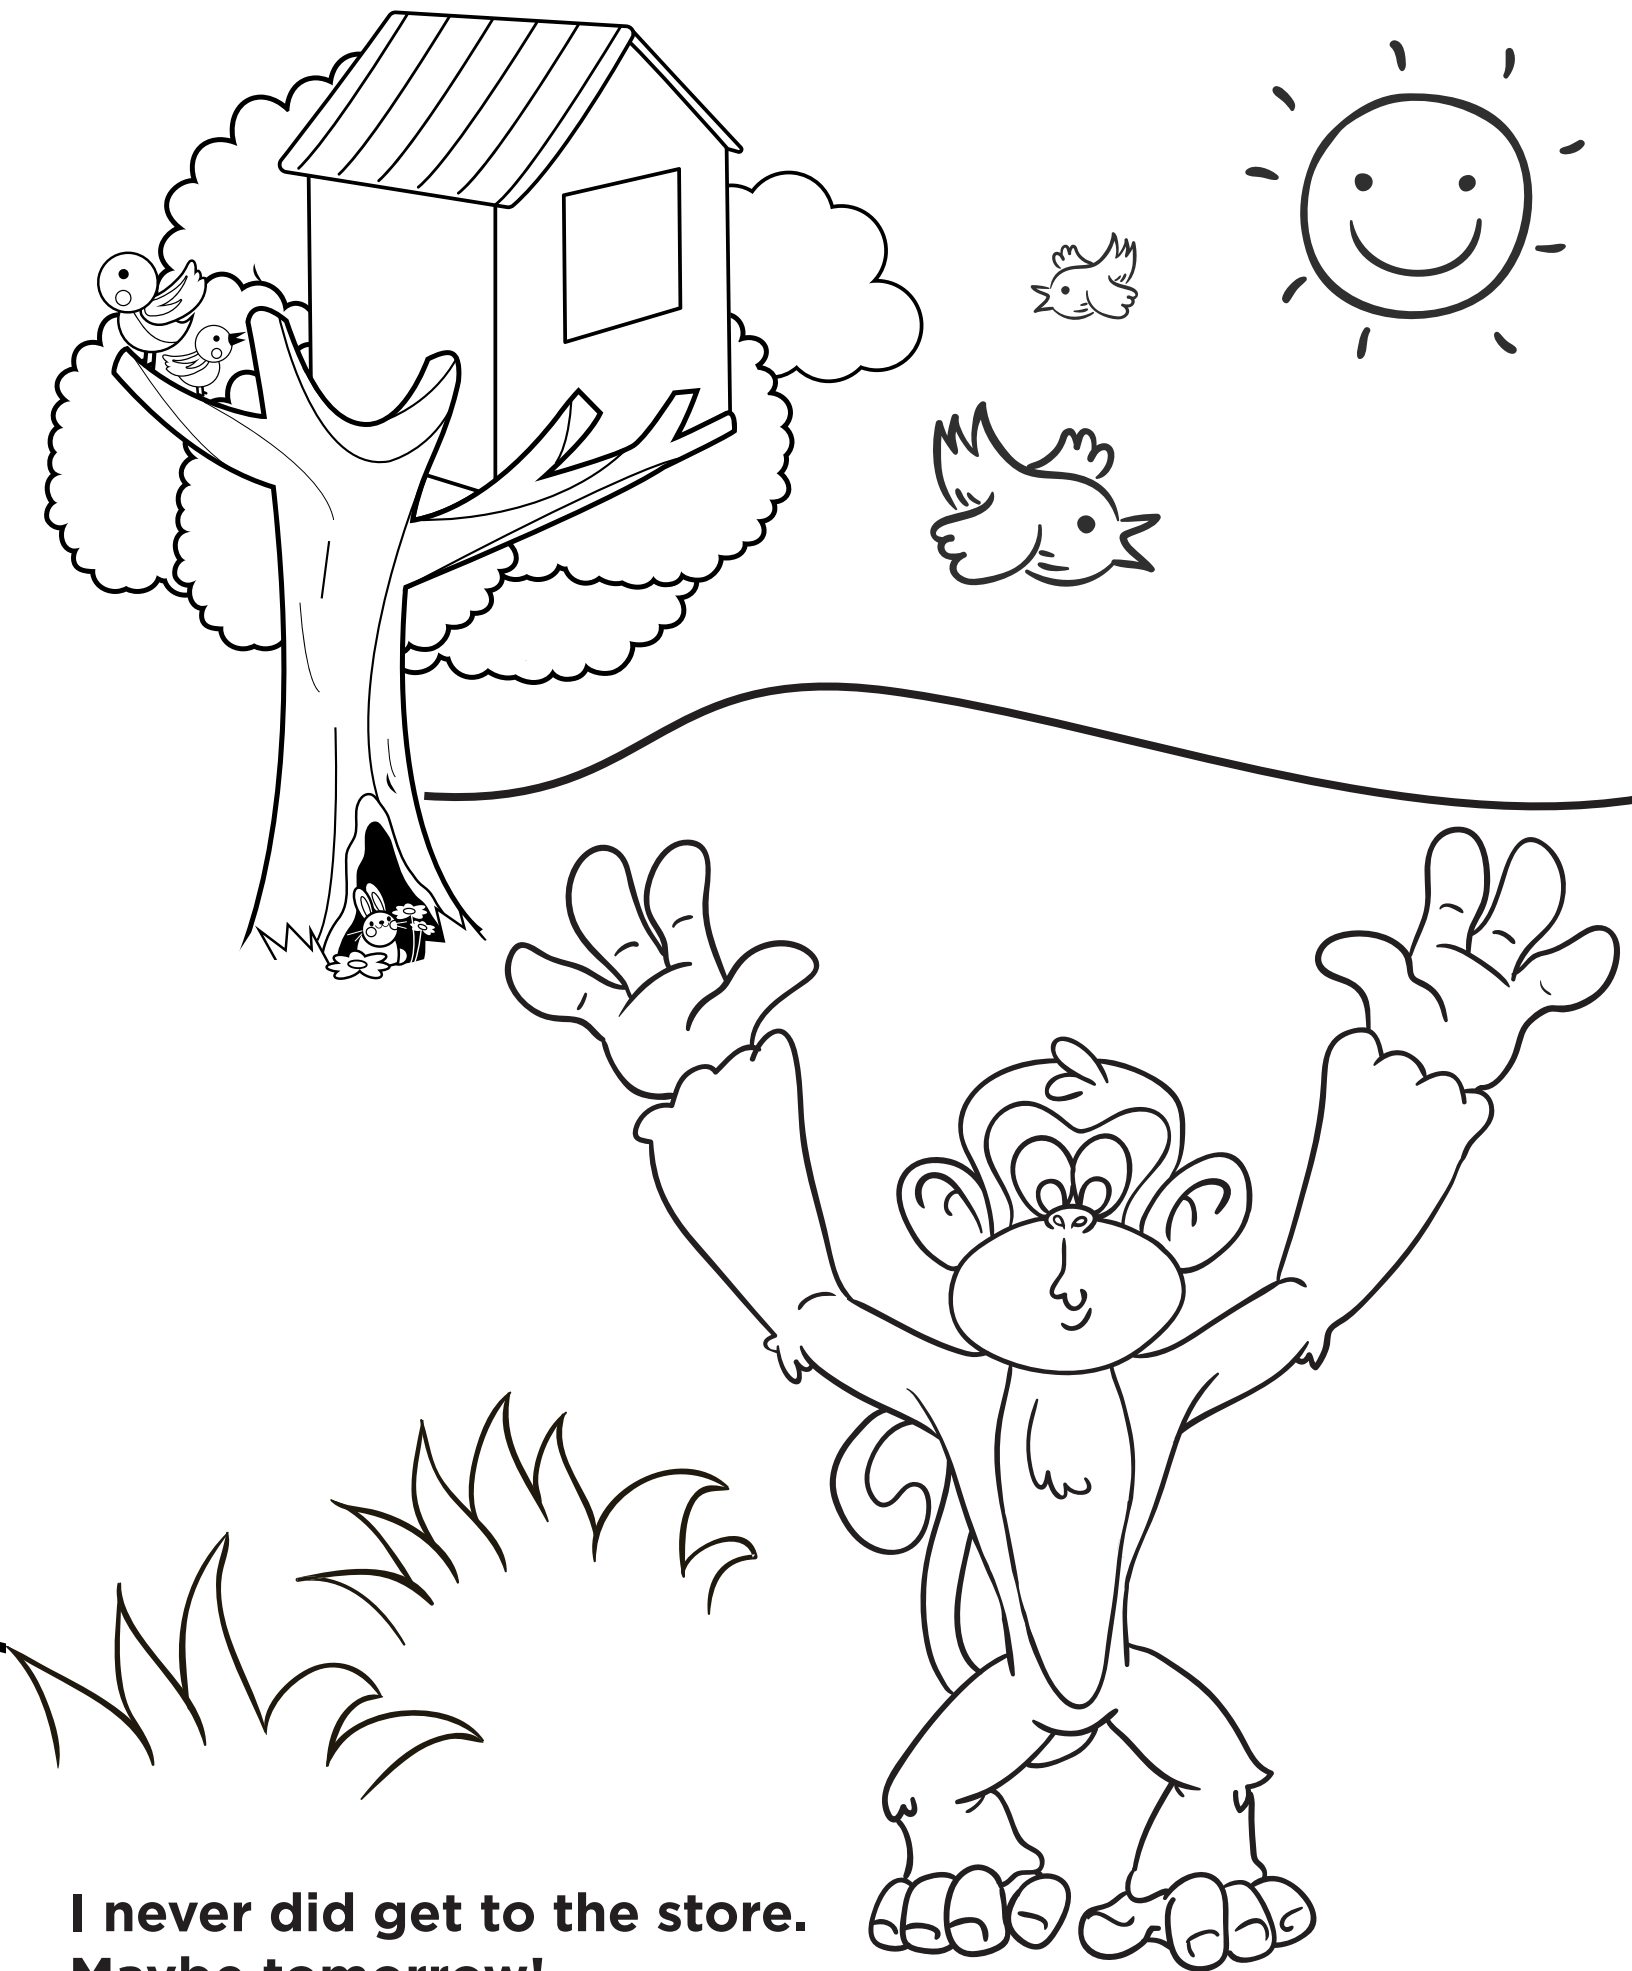

They asked me to play tag with them.

**We played all day.
It felt so good to be outside together.**

**I never did get to the store.
Maybe tomorrow!**
