

10 WAYS TO BE kind TO THE EARTH

Try these simple ways to **go green** and save Earth's natural resources.

- 1. Use Recyclable Shopping Bags**
Cloth bags last for years and cut down on plastic.

- 6. Recycle**
Sort cans, bottles, glass and paper into recycling bins.

- 2. Plant a Garden**
Vegetables are easy to grow and delicious to eat.

- 7. Buy a Reusable Water Bottle**
Carry and refill a water bottle from your tap.

- 3. Unplug**
Save energy by switching off lights, TVs and devices.

- 8. Visit a Farmer's Market**
Meet the local farmers growing your vegetables and fruit.

- 4. Save Water**
Every drop counts!
Turn off faucets quickly and take short showers.

- 9. Bike, Walk or Skate**
Ride your bike, walk to school or skate to a friend's house.

- 5. Meatless Mondays**
Encourage your family to eat vegetarian one day each week.

- 10. Learn about Composting**
Set up a home compost bin for food scraps and vegetable trimmings.
