

Make New Friends Activity Cube

Meeting new friends is always fun! This activity cube makes it easy to learn more about your new friends while they learn all about you. Just roll the cube, read the clue and start sharing!

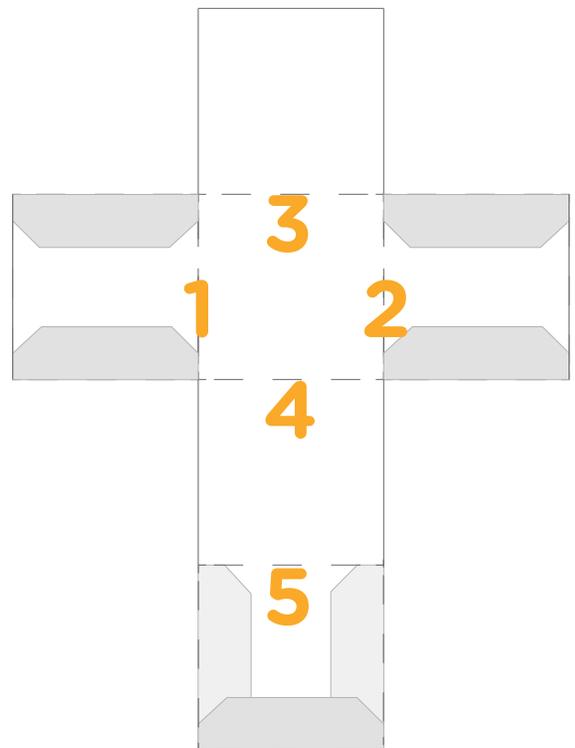

What You'll Need:

- Cube Pattern Printout (on paper or cardstock)
- Scissors
- Glue Stick

What You'll Do:

1. Cut out the cube pattern printout along the solid lines.
2. Fold the flaps along the dashed lines, folding the flaps toward the wrong side of the pattern.
3. Use the glue stick to apply glue to the top side of the pattern.
4. Follow this Folding Diagram to fold the cube lines. Place the cube pattern colored side down on a table. Fold the cube on lines 1 and 2 so the cube sides stand upright. Fold up on line 3, pressing this side to the glued flaps to create a box shape.
5. Fold the cube on line 4, pressing this side to the glued flaps. Fold the cube on line 5, pressing this side to the glued flaps to finish the box shape.
