

Take an Earth Day Nature Walk

I'm TJ the Turtle, and I love adventures. Let's celebrate Earth Day by spending time outside on a nature walk. Look around and observe animals and bugs in their natural habitat among the rocks, plants and trees. Check off all the cool things you find on your hike.

Earth Day is April 22

| | | | | | |
|---|--|--|---|---|--|
|  tree |  butterfly |  flower |  worm |  bird |  leaf |
|  bee |  acorn |  spiderweb |  squirrel |  mushroom |  cloud |
|  ant |  rock |  grass |  feather |  beetle | |
|  nest |  fern |  caterpillar |  pine cone |  fallen log | |
